Letter of Transmittal

To the Honorable Selectmen and Citizens of the Town of Norway:

It is with pleasure I present this, my ninth annual report as your Town Manager.

This report is for the year ending December 31, 1965, and is compiled in accordance with requirements of the Revised Statutes of Maine.

I wish to express to the Board of Selectmen and the citizens of Norway my sincere appreciation for their continued assistance and cooperation.

Respectfully submitted,

DONALD F. McALLISTER
Town Manager

Report of Town Manager

NORWAY, MAINE

1965

To the Board of Selectmen and Citizens of Norway:

I herewith submit to you my annual report on the municipal activities of the Town of Norway for the year 1965, it being the twenty-third under the Selectmen-Town Manager form of government.

The fiscal year ended with Norway being in good financial condition. This year the Selectmen authorized me as Town Treasurer to borrow the full amount of tax anticipation loans authorized by the Maine Revised Statutes and invest it in U. S. Treasury notes or certificates of deposits to come due as needed. This resulted in no interest costs to the Town and a profit of \$2,255.54. With other unexpended balances it makes it possible to recommend that \$35,000.00 be applied against the 1966 budget requirements to help stabilize the 1966 tax rate.

OUR SEWER PROJECT

By the time the Town Report is in your hands, I believe that the sewer project will be completed and in full operation. The Contractor did not meet the completion date and after a month's extension we had no other choice but to charge the Contractor with liquidating damages. The finished treatment ponds and the sewer pipes that have been laid are according to plans and have been inspected and found to be of excellent workmanship.

As you all know the Town voted to finance this project with revenue bonds but we are experiencing difficulties in getting a legal opinion, as this project was the first to be built under the Revised Statutes, Chapter 90A. We will have to get a law court decision as to the constitutionality of the legality of these bonds; or go back to the citizens of Norway and ask them to reverse the previous vote and ask for a new vote to issue general obligation bonds. The latter would carry less interest and would do away with a sewer district and the hiring of additional clerical help.

Our sewer project has caused many inconveniences, but I feel that this project was a "must." The town cannot stand still and survive. We must have good schools, hospitals and improved streets and highways if we are to be in a competitive position to induce new industry and new homes to our Town of Norway. To maintain a healthy economy, action must be

taken to relieve the property tax from becoming too much of a burden. You, the Citizens, should lend your support to this cause by supporting State legislation which would accomplish much in relieving the real estate owner of paying the full costs of our municipal government.

Tax collections have been excellent, there are no unpaid 1964 taxes. We do have a small amount of unexpired tax liens on the books.

We finished the year with small balances in our highway accounts. We started with our annual summer and spring clean-up of streets and sidewalks and grading the country roads. We finished the Doughty Road project with surfacing it with gravel and a coat of tar. Town Road Improvement money was spent on the Emerson Road and the Walker Road. We did not raise money for State Aid roads but will ask for funds this year. The usual tarring program was carried out and nearly 50,000 gallons of tar was applied to our streets and highways. Carter Street was extended nearly 300 feet so that Mr. and Mrs. Roy would have access to their new home.

The usual Summer Maintenance work of patching streets and highways, cleaning sewers and catch basins was carried out.

The Dutch Elm Disease is still with us, we had to take down thirty-nine (39) trees in 1965 and will have to take down the same number in 1966.

So as to continue our tree planting program, we are asking for an appropriation of \$1,000.00 in 1966.

TOWN EQUIPMENT

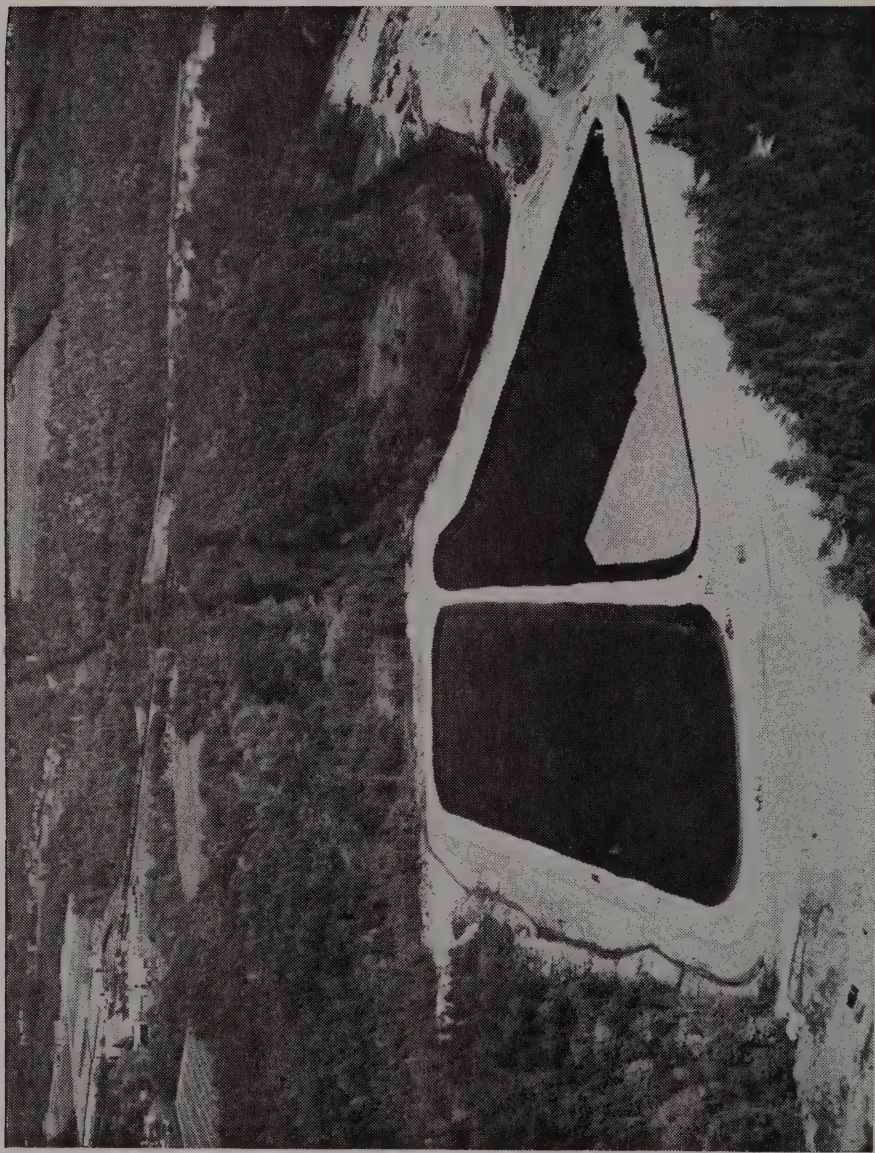

The Town equipment is in good condition. We bought one new dump truck in 1965 and will replace the pick-up in 1966. The bull-dozer is now over ten years old and has been overhauled several times and we may have to replace it before the end of 1966.

There has been one change in the office personnel, Mrs. Isabelle Thorp who had been an employee of the town for the past five years found it necessary to resign. Mrs. Thorp was a valuable employee, not only as an employee but an excellent good-will ambassador in the field of public relations. Mrs. Thorp was replaced by Mrs. Brenda Richardson.

To all my associates, employees and citizens, your cooperation has been a major factor in being able to carry out the 1965 municipal program and I am grateful for the privilege of working with and for you.

Respectfully yours,

DONALD F. McALLISTER
Town Manager

ACTIVITIES

Beginning with January, a monthly workshop for area librarians was established. The meetings were held at the Alvan Bolster Ricker Memorial Library in Poland where librarians gathered to discuss problems pertaining to various

phases of library work. The meetings were most worthwhile. Other meetings during the year were the State Library Convention at Poland Springs in June, attended by the librarian and several trustees, also the Fall Round Table at the Kittery Public Library.

National Library Week took place the last week in April and was observed throughout the nation to make the public more aware of the resources of their local libraries. This year, through the cooperation of WKTQ, there were daily radio broadcasts. Speakers were Mrs. C. Henry Brown, librarian, Mrs. Phillips Thayer, Miss Rhonda Millett, Stephen J. Cummings and Thomas Marcotte, each one discussing some part of the library's collection of particular benefit to him.

For the adult evening, on Maine's out-of-doors, Robert Kessell of South Paris demonstrated the art of tying fishing flies and had an exhibit of the materials he used in this field. Robert Horton, ballistics expert, demonstrated pressure firing and velocity shooting; and Donald Christie, State Supervisor of Conservation Education, gave an illustrated talk.

On Saturday morning Dr. Charles F. Gauger, local veterinarian, talked to sixty children on the care of pets and answered questions about animals. Throughout the week there was an exhibit in the library of pictures of pets drawn by the school children through the cooperation of their teachers.

Three prizes were awarded for outstanding work. High School students prepared brief summaries of books they found interesting. These are kept on file for reference.

During 1963-65, 42 local deceased citizens were remembered by their friends and relatives through gifts of 86 books to the library. This is a very satisfying form of memorial and the library is most grateful to all who have made this possible.

The Summer Book Worm Reading program was very successful.

With the resignation, in September, of Richard J. Denison, president of the Library Board of Trustees, Mrs. G. Freeman Hall became the new president.

On September 1st, Mrs. Herbert M. Adams, Jr. was appointed assistant librarian. Miss Kathryn Fournier remains as part-time assistant, when needed. Mrs. Lowell D. Henley retired in the fall as substitute librarian.

Children's Book Week was celebrated the first week of November with 14 divisions of elementary school children, accompanied by their teachers, visiting the library for instruction and stories. Many new borrowers were registered.

Again, we wish to thank the trustees for their assistance this past year, and all who have contributed to the growth of our library.

Respectfully submitted,
HELEN E. BROWN

NOTICE TO TAXPAYERS

ALL TAXPAYERS SHOULD READ THE FOLLOWING

REQUIREMENTS AND COMPLY WITH THEM:

"M. R. S. A.-T. 36, Section 706 of 1965. Assessors to give notice to bring in lists of taxable property; if no lists are brought in, no claim for abatement. Before making an assessment, the assessors shall give seasonable notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates, real and personal, not by law exempt from taxation, of which they were possessed on the 1st day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is hereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayers."

The assessors hereby give notice that they will be in session at the Town Office on Friday, April 1, 1966 from 9:30 A. M. to 5:00 P. M. for the purpose above stated.

Annual Report of Public Health Nursing Services

FOR THE YEAR 1965

Your public health nurse works with others to maintain the best of health for the people of Norway. The program is a generalized one; it is not restricted to one age group nor to one condition, and nursing service is available to all who need it in the community without consideration of the socio-economic status of the family.

Working under the direction of the physician, the public health nurse gives, teaches or guides the family in caring for the sick at home or helps them make other arrangements whenever necessary. She provides health counseling to individuals and families, and when indicated refers them to appropriate agencies.

This past year your public health nurse has provided nursing care or health counseling to 256 individuals at home, school, work or any other convenient place. Some health needs were minor and quickly satisfied, others required more time and attention, while a few are still un-met for various reasons.

Your nurse cannot solve all health problems alone. Situations are frequently brought to her attention in which she must consult with others in order to be more helpful. Forty-six such conferences were held with school personnel, social workers, town officials, hospital personnel, and others concerning certain health situations.

Three Child Health Conferences were held in the spring with 110 youngsters attending. Physical examinations were offered and the children were immunized against diphtheria, whooping cough, lockjaw, smallpox, and polio.

In all phases of the program, the emphasis is on promotion of health, prevention of disease and disability, and rehabilitation of the sick.

Sincere appreciation is expressed for the continued interest, co-operation and support of the citizens of Norway, which are vital to any successful health program.

Respectfully submitted,

LOUISE PARE, R. N.
Public Health Nurse

Board of Selectmen

Norway,

Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, an audit has been conducted of the financial records of the Town of Norway for the fiscal year ended December 31, 1965.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1965, and the results of its operations for the year then ended.

TOWN OF NORWAY

JANUARY 1, 1965 TO DECEMBER 31, 1965

An audit of the financial records of the Town of Norway has been completed for the fiscal year ended December 31, 1965. The audit consisted of an examination of the records maintained under the supervision of the Town Manager and municipal officials.

The operations for the year showed a gain of \$28,369.11, which was accounted for as follows:

Departmental Balance Lapsed (net)	\$17,498 39
Actual Income Over Estimated	10,870 72

Gain For Year	\$28,369 11
---------------	-------------

The unexpended departmental balances were noted particularly in the protection, highway, interest and overlay accounts.

The actual income received was \$40,870.72, as compared with an estimate of \$30,000.00 for the year. The additional income was lapsed to surplus.

* * * *

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS . . . The general cash balance of \$28,654.39 and the sewer project cash balance of \$15,830.10 were on deposit in the Norway National Bank, Norway, Maine at December 31, 1965.

Accounts receivable of \$11,553.02 included for the most part monies due from the State for highway and welfare purposes.

Taxes receivable totaling \$14,634.97 represented unpaid current year accounts. Tax liens and tax acquired property amounted to \$1,879.89 and \$3,197.19 respectively.

LIABILITIES, RESERVES AND SURPLUS . . . The departmental accounts showed a net unexpended balance of \$10,814.21; representing various unexpended balances and an overdraft that are carried forward to the ensuing year in accordance with legal requirements and/or customary practice.

The Opera House account closed the year with an unexpended balance of \$5,422.96, as compared with a balance of \$3,732.64 in the preceding year.

The unappropriated surplus amounted to \$43,682.29, an increase of \$5,543.29 for the year. This change was occasioned principally by the net unexpended departmental balance lapsed and the excess of actual income over estimated, less an authorized transfer to reduce the tax levy and an appropriation for the Pike Hill Road account.

DEBT FUND . . . The debt fund, incorporated in the balance sheet as a separate fund, reflects outstanding Opera House notes of \$27,000.00 and Sewer Project notes of \$484,000.00. These obligations mature during the next eleven years.

WORKING CAPITAL FUND . . . The cash balance of \$6,108.78 in the working capital fund was on deposit in the Norway National Bank, Norway, Maine at December 31, 1965.

Current operations showed an increase of receipts over expenditures of \$844.17. Receipts totaling \$40,637.50 were derived principally from departmental use of equipment and the issuance of a short term note. Expenditures totaled \$39,793.33, of which maintenance expense, purchase of new equipment and payment of notes were the major items.

RESERVE AND TRUST FUNDS . . . Capital reserve funds for fire equipment and a new fire truck in the amounts of \$922.76 and \$5,000.00 respectively were on deposit in the Norway Savings Bank and Norway National Bank, Norway, Maine at December 31, 1965.

The total amount of trust fund principals was \$8,882.00 and unexpended income was \$13,162.91. These funds are on deposit in the Norway Savings Bank and the Norway National Bank.

DEPARTMENTAL ACCOUNTS . . . The departmental operating accounts showed an increase of \$32,536.59 in funds raised by taxation, as compared with the preceding year. Larger appropriations for School Administrative District 17 and protection accounts were the major factors contributing to the increase.

The departmental balances carried forward increased by \$13,703.46, as compared with balances at the start of the year. This change was reflected principally in the highway and health and sanitation accounts.

SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recorded cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

Excise tax collections were checked by examination of copies of receipts retained by the collector. Trust fund transactions were reviewed and investments verified. Surety bond coverage was examined.
